Explore British Columbia Today

**Two million people take advantage of British
Columbia's parks and camping sites each year.
Be part of the adventure!**

There are few areas in the world as beautiful to
discover as British Columbia. Whether cutting the
early mist along the coastal region of BC, the misty
lakes, rivers of the interior or the wilderness,
British Columbia has something to offer everyone.

From the Canada, United States border, to the
Alberta line and along the extensive coast of British
Columbia, there is a vast land of unfolding beauty
waiting for you. Within your guide all is available
for your discovery.

Canoe, Kayak or sail the coastal waterways. Hike,
drive or fly, choose to ski or raft the wildest rivers.
You will have plenty of time to become familiar
with nature and wildlife along the way.

Step back in time:

- If you visit only one museum in BC make it the Royal BC Museum in Victoria, it is stunning!
- In and around Victoria, the Gulf Islands and the coast, we feature the largest collection of information available.
- Discover some of BC's most historic towns such as Barkerville or Clinton.
- Read about and discover the historic Gold Rush of 1857 and the many trails of the era.

Find your special paradise in BC today!
